set it off... (x12)
motherfuckas!

[Young Zee]
Before you hear me do any mic check
if your crew pop shit you get disrespect
i got a thirty odd six winchester
that send any click to meet their fucking ancestor

[Rah Digga]
Uh, how should I begin this?
styles like endless, cyphers goin' crazy before I even
finish
damn a whole village, bigger than Greenwich
all in just one sentence

[Young Zee]
Leave it to me fuck beaver
and I'll have the whole world high off cannabis sativa
you got a girl and that ass is smart
better get her before i run up in the private part

[Rah Digga]
Don't threaten me with weaponry, I just get blunted
all y'all sound redundant
while I find new ways to build
pullin' wolf's bluff from a house of steel

[Young Zee]
When I walk in the crowd I can see heads rattle
I hear voices saying that's ????
any type rappin' bitch want dibs, get Rah
Rah- I turn that bitch bag to bridge(?)

Zee: now, Zee is main to get loose
now I am down wit Outz and I got the juice
Rah Digga rocks the army suits
now she is down wit Outz and she got the juice
Pacewon 'bout to steal some boots
now he is down wit Outz and he got the juice
D-U for the ? use

now he is down wit Outz and he got the juice

[Rah Digga]

we allll that, and a bag of sweets
so kill them butt lyrics and them fag-ass beats
'cause Rah Digga dig deep in an MC's ass
and pass 'em off to No Brain Class

[Young Zee]

Check it, I pull your girl with some old school shit
put doo-doo on a stick and chase that bitch
I fuck eskimo girls in the igloo
while icicles drippin' off that bitch's nipples
and I done fucked so many cop cars
I had the fifth precinct call the national guard
me and Big Moo(?) from Nordic(?) and cops in the
Buick
we hit a donut and made them all look stupid
we hit road but there was cops all over
so we kicked on the parkway and hit the shoulder
and made the undercovers eat my dust
they can't fuck wit none nigga down wit us

Zee: now, Zee is main to get loose
now I am down wit Outz and I got the juice
Rah Digga do her hair wit moose
now she is down wit Outz and she got the juice
all my clique makes that ass vamoose
now we is down wit Outz and we got the juice
now, anybody gets the noose
'cause I am down wit Outz and I got the juice

yeah, one time for your mind
I am down wit Outz and I got the juice
yeah, yeah
I am down wit Outz and I got the juice
yeah

Hostyle, newest member, mainly get loose
now he is down wit us and he got the juice
