Verse 1 (Joe Flizzow)

Hip-hop be connecting

Kuala Lumpur with LB

Hip-hop be rocking up towns

Laced with LV

Ain't necessary to roll

In nice rimmed M3's

And be blinging

Hip-hop be bringing together emcees

Y'all asking who that kid

With a flow that's sick

It's Flizzow

And who's Malique
On this Qumran tip
Now follow
We Too Phat
Hip-hop be running thru our veins
It gets us up in the morning
Hip-hop keeps me sane
Wherever you rapping
It's embraced across the globe
It's truly amazing
How it gives people hope
That beat is dope
Y'all holla at the DJ
Hip-hop is staying up at night
To bid for kicks on e-bay
This should be off the hizee
Going make you move for shizze
Blow up spots
Getting crunk with Warren G'zee
Now best believe
KL got the world tuned in
Joe Flizzow with my elements
So let the party begin...
Chorus (2x)
It's kinda easy
When you listen to the G'd up sound
A little bit of hip-hop
Will make the world go round
We got the sound for the rest
And it's easy to see
That this Too Phat and Warren G
Verse 2 (Warren G)
Assalamualaikum
From the General
Warren G'zee for shizzo
And that's the way love go
It's been a long time
I shouldn't have left you
Without a west coast rhyme to step to
You know how it go
When it's real hip-hop
Kuala Lumpur don't stop
Long Beach won't stop on top
Keep them blocks so hot
From Malaysia
Back to my spot
Islamic in the form of Tupac
I ride so deep
With Joe and Malique
We go together
Like a flow and a beat

And don't try to compete
With the Long Beach original
Back on the gizzo

(Just a little bit)

Chorus (2x)

It's kinda easy

When you listen to the G'd up sound

A little bit of hip-hop

Will make the world go round

Verse 3 (Malique)

Wassalam Warren

We thank you for the bit

Now the three of us together

Regulating this hit

We banging this hit

And making lil ends on the side

Another classic joint now

It's time to ride

And spread love

Across this loony circle

Ride from boogie down to Bangalore

It's universal

Whether blue or purple

Black or white

Light brown

It's not about skin

But B-boy battles

Who outtwirls and outspins

Screaming (Go B-boy!)

While B-boys gets busy

In hip-hop "whuttup's" "hello

And for sure is for shizee

Doo rags and corn rows

And kids with pants sagging

Shaking aerosol cans

While bombing and tagging

While DJ's is crabbing

Scratching breaking styluses

Hooking beats and moving

More heads than hairstylists

Somebody better tell me

Where them bootleggers and pirates is

Should rush 'em all wit viruses

Or put 'em where Osiris is

I hear no promises

So till then

Y'all see me bawling

I'll keep y'all head bopping
And stay yes yes y'all'in
God bless
The four elements story is told
And here's a little bit of hip-hop
For your soul
