Intro

Worda wordee wordoo

And this is how we do

It's the official language

Of the Phat Family crew

Verse 1

Remember me and Jizzoe

Young kids back in the day

The year was '97

Or maybe in '98

Had no Too Phat

No Flizzow

No plaques

Or rockin' shizzows

When Liquey had no dimes

Still messin' with ugly hzoes now

We crazy bummin'

Roamin' the streets of 15 all day

With other 15 souljaz

Like Bullah and Dr. K

Impromptu dropper

Freestylin' ish

Right from the toppa

Now 5 years later

We the illest pimp

Poppin' hiphoppaz

Back to the topic

One day I dropped

It slipped my tongue

Twisted vocabulary

Got all of my homies sprung

I busted 50 bars

Straight in front of my men

In a brand new language

No one else but I would understand

Then tzaught Jzoe

Fizirst apprentizice to follow

Basazi cover Izine

Lots a practizise to holla'

And if y'all sukrazi

This language come and speak it too

To the doo doo bounce

Say worda wordee wordoo!

Chorus (2x)

Worda wordee wordoo

And this is how we do

It's the official language

Of the Phat Family crew

We kick a little slang

Nobody understand

Nobody numszayin

Numszayin?

Verse 2

Yeah uh... I step to the cipher

Y'all peeping the language

That's too hard to decipher

No MC nicer speak

In codes and lingos

Hard to bite brah

Now we about to introduce

This to ya' curriculur

How that szound

Talk of tzown

You wrzong

If you think you iller

This beat is gila

Gilazi yeah

You know my stzeez

Stzep to the ladies

Bounce with me

Now you want to get these

Too Phat got you hollerin'

The ones hip hoppers followin'

What?

That crew got it on again

What they doing mixing

Beats wit rap and zapin'

Why you fussing

Where you getting?

What you know 'bout

How we do

And how we bussin'?

I don't need your blessings

Just stay out of my biz

For I deal this

Don't be messing

2003 the fam's

Stronger than ever (So many suckers, biter!)

How you figure we get sicker

6.0 on the richter

Joe Flow and Mistah

Yo Bone crab the mixer

(Worda Wordee Wordoo brah, Joe Flizzow keep it

gangsta')
Damn sure you right
We got flows too tight
Black Rob went like
Whoa! Cos' I stole his mic
(Jangazan main gilizi, nantri krezau susri)
Now if you down with this
Spit the languazage
And y'all can start
With the choruzes
Chorus (2x)
Worda wordee wordoo
And this is how we do
It's the official language
Of the Phat Family crew
We kick a little slang
Nobody understand
Nobody numszayin
Numszayin?
Verse3
Now we call them

Alotta people say we talk alot
Mackin' they o's up in the parkin' lot
Nonraks czan't stand Liquey
When I'm rockin' spots
No wonder
Why I get stalked alot
I get hawked alot
I get jocked alot
By the gurlies
Who wanna eat me

Like I'm chocolate
I'm rockin' Roca tops
Toppin' charts
Guys wanna box
Say I'm dope?
Call the cops
Call the cops...
Verse 4
Skoo the cops
Let me handle this
It's the man
With the iron mic
And the iron fist
Scientist
Flamboyant rap artist
We top notch
Want my spot
I know you eyeing this
Too Phat setting standards
Keep raising the bar
Hot tracks you bump to
While you blaze in the car
Amazing by far
Slang gets tongue twisted
I spit this ish
O's can't resist it
Move like you's evicted
Soon get addicted
Nobody work the stage
Better than this kid
I'm a slick kid
Gotta a lotta tricks kid
I'm a sick kid
Don't even risk it
Illegal mix it
Perfecting this hit
We ignoring critics
Industry misfits
Hip-hop stock lister
Strongest crew
Worda wordee wordoo...

Chorus
Worda wordee wordoo
And this is how we do
It's the official language
Of the Phat Family crew
We kick a little slang
Nobody understand
Nobody numszayin
Numszayin?
