She don't know who she is,  
Oh, I can take her anywhere,  
Do whatever comes naturally to you,  
You know she just don't care,  
You know she just don't care,

'Cause I'm always where,  
I need to be,  
And I always thought,  
I would end up with you eventually,

Now I see her again,  
I have to be a hummingbird,  
Whisper words in her ear,  
Oh, you know I just don't care,  
You know she just don't care,

'Cause I'm always where,  
I need to be,  
And I always thought,  
I would end up with you eventually,

Oooh wohwohwoh oh I'm a man on the scene,  
I'm a man and I can be so obscene,  
'Cause I always think I know how to be,  
But I always thought I would end up with you eventually,
