"Crazy"

I remember when, I remember
I remember when I lost my mind
Something so special about that thing
Even your emotions had an echo, so much space
And when you're out there
Out there, I'm out of touch, babe
It wasn't because I didn't know enough, no
I knew too much
Do you think I'm crazy
Do you think I'm crazy
Do you think I'm crazy
Do you think I'm crazy
I heard that you had
Had the time of your life
Don't think twice, don't think twice
That's my advice to you
Come on now, who do you
Who do you, who do you think you are?
Ha ha, bless your soul
You really think you're in control
Yeah, I think you're crazy
Yes, I think you're crazy
Oh, I think you're crazy
Oh, I think you're crazy, baby
My heroes had the heart
To live a li li li to live
And all I remember is that
I want to be like them
Do you think I'm crazy
Do you think I'm crazy
Do you think I'm crazy
Do you think I'm crazy, child
