"Eskimo Kiss"

We had so much fun,
She gave me an eskimo kiss,
We put our records on,
AND set sail, towards the sun,

She's like a rose without a thorn,
She's like a sunflower that never looks back at the sun,
She sees me running,
SHe's like the diamond in the rough,
She's like the first girl on this earth,
That you wanted to touch,
She sees me running,

We want back to her place,
Her father says I have the wrong face,
He'll put another one on,
We set sail, as the night gets long,

She's like a rose without a thorn,
She's like a sunflower that never looks back at the sun,
She sees me running,
SHe's like the diamond in the rough,
She's like the first girl on this earth,
That you wanted to touch,
She stouch in touch,

Oh lonely bones,
I'm coming through the sun,
And our lives have just begun,

Oh lonely bones,
I'm coming through the sun,
And our lives have just begun,

And it goes,
La la la la la,
La la la la la,
La la la la la,

And it goes,
La la la la la,

Did you ever wonder why,
This old world will make you cry?
