know you're feeling bitter
What i said last i didn't mean
And now that i'm a little better
This is what i meant to say

Babe i already miss you
Sweetheart i already miss you
Sweeteyes i already miss you
And you only just walked out the door

You know i hate talking on telephones
I'm so sorry its just my way
And now that i'm a little older
There's so much to you i'd like to say

Babe i already miss you
Sweetheart i already miss you
Sweeteyes i already miss you
And you only just walked out the door
