Viciously, she sleeps
Walks along her lonely beat
She trips, falls into it all
And I wish I bite my lip and crawl up
Away from you my little one
Oh'm you my little one

Don't come too close
You don't wanna see my ghost
Your rotten but i'm betrayed
By you my sweetheart
Don't you think that you went too far?
Do you want to see my heart bleed?
For you, you and him
Him and you you know my heart bleeds

All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the street
Oh we're gonna steal your skies
All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the street
Oh they're gonna steal your...

I'm sorry
That I let you go oh
I let you down, I let you down my dear

I always seem to play these games with you my dear
I always, and so I always...

All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the street

Oh we're gonna steal your skies
All of us
We're going out tonight
We're gonna walk all over your cars
The kooks are out
In the street
Oh they're gonna steal your skies
Oh my Juliet, i'll never betray you my love (it's true)
Oh my Juliet, i'll never betray you my love

Woah woaaaaaoooooooooaoao
Woah woaaaaaoooooooooaoao
Woah woaaaaaoooooooooaoao
Woah woaaaaaoooooooooaoao

Don't come too close
You don't wanna see my ghost
Your rotten but i'm betrayed
By you my sweetheart
