"Nothing Ever Changes"

I'd like to meet the girl I'm gonna marry
I'd like to meet the girl I'm going to see
Nothing ever changes in me
But you ain't got nothing, nothing on me
The way everybody loves me I wish you could see
Nothing ever changes in me.
But I've go to be free

Like I said a long time ago
Things they come and things they go
Nothing
You make me hungry then you make me see
Oh how happy my life can be
But oh nothing ever change in me

I've go to be free
Oh I've got to be free
