I see the love, the look on your face, never shoulda  
come  
Never shoulda ever seen I race, down, here to help  
you, to your hand, your disgrace, cause I see love in  
your eyes, neva shudda run, never shoulda let you lie  
down on my shoulder babe

But ohhhhhhhhhhhhowwww  
And ohhhhhhhoooooooooww

I aint got no need for territory with you  
I aint got no need for territory with you  
I aint got no need for territory with you

I aint got no need for territoryoooooooo

I'll take you down, down to the sea, can't you see  
honey, you're lookin at me,  
like ive got some answers to some disease, you're just  
having on your knees and I  
see love in your eyes neva shudda run, never shoulda  
let you lie down on my  
shoulder baby

But ohhhhhhhhhhhhowwww  
And ohhhhhhhoooooooooww

I aint got no need for territory with you  
I aint got no need for territory with you  
I aint got no need for territory with you  
I aint got no need for territoryoooooooo
