In their eyes is the place that you finally discovered  
That you love it here, you've got to stay  
On the bottom of the rock, an island  
On which you find you love it when you twitch  
You feel that itch in your pettycoat  
Your pretty pretty pettycoat

Then you smiled, he got wild  
You didn't understand that there's money to be made  
Beauty is a card that must get played  
By organisation

And ooh la, she was such a good girl to me  
And ooh la, the world just chewed her up, and spat her  
out  
And ooh la, she was such a good girl to me  
And ooh la, the world just chewed her up, and spat her  
out

The world can be a very big place  
So be yourself don't get out of place  
Love your man and love him twice  
Go to Hollywood and pay the price  
Oh go to Hollywood

And don't be a star, it's such a drag  
Take care of yourself, don't begin to lag  
It's a hard life to live, so live it well  
I'll be your friend and not in pretend  
I know you girl  
In all situations

And ooh la, she was such a good girl to me  
And ooh la, the world just chewed her up, and spat her  
out  
And ooh la, she was such a good girl to me  
And ooh la, the world just chewed her up, and spat her  
out

Pretty pretty pretty pretty pretty pretty pretty pretty  
pretty

Pretty pretty pretty pretty pretty pretty pretty pretty pretty  
Pretty pretty pretty pretty pretty pretty pretty pretty  
pretty  
Pretty pretty pretty pretty pretty pretty pretty pretty pretty  
In all situations

And ooh la, she was such a good girl to me  
And ooh la, the world just chewed her up, and spat her  
out  
And ooh la, she was such a good girl to me  
And ooh la, the world just chewed her up, and spat her  
out
