Sits just right when you're around,
Take it dry, take a drive to town,
Meaningless, everything but you,
Petulia, you're in my blood again,

Like a heart undone,
Like a love without a sound,
Like a heartbeat,
Moving through me,

Sits just right, life on my brow,
Take it low, take a drive to town,
Meaningful, nothing but you,
Petulia, let's make a wish,

Like a heart undone,
Like a love without a sound,
Like a heartbeat,
Moving through me.
