I just killed my tv and i feel so free
yeah
no more rock commercials screaming at the screen
no no
spend my time on leisure with my quality means
oh yeah
movin' up the ladder my philosophy
oh my
no way
i just wanna get by
ain't go telling to different places
i know my way
you got yours made
We just walk right through
people are trying to be clever
gettin' too much of nothin' at all
me, i just try to be better
and i follow my heart
into your _____ and computer freaks
heey

what is gonna happen when the sun gets below
oh no
i don't wanna be _____
always follow my intuition
i got my dreams
you have your
some feed uncontrol
people are trying to be clever
gettin' too much of nothin' at all
me, i just tried to be better
and i follow my heart
i just wanna get high
get the keys from the competiton
i got my trade
you have your place
people are trying to be clever
gettin' too much of nothin' at all
me, i just tried to be better
and i follow my heart
people are trying to be clever

gettin' too much of nothin' at all
me, i just tried to be better
and i follow my heart
