[Tiggers] Baby, can't you see, I'm calling A girl like you, should wear a warning It's dangerous, I'm fallin' [Ol' Dirty Bastard] Oooh, nigga, I'm burnin' up [Tiggers] There's no escape, I can't wait I need a hit, baby, give me it You're dangerous, I'm lovin' it [Ol' Dirty Bastard] Enough to make a nigga, go crazy Shut down the Grammy's, ask my grammy Wu-Tang for the kids, but your host can't stand me Wu-Tang for the kids, bust them off for family Catch me on Disney (ma, who is he?) Down Dirty, stinky, grime and grizzly Old man McGirt, lookin' under your skirt Fucked the pussy til' it's orange, like Ernie and Bert Like, ooh [Tiggers] Too high, can't come down It's in my head, spinning 'round and 'round Can you feel me now? [Chorus: Tiggers] With a taste of your lips, I'm on a ride You're toxic, I'm slipping under With a taste of a poison paradise I'm addicted to you, don't you know that you're toxic And I love what you do, don't you know that you're toxic Yeah, I'm burnin' up from what you do, you know that you toxic [Ol' Dirty Bastard] Like, ooh, igga, I'm burnin' up She said, ooh, nigga, I'm burnin' up Meth got the weed, we can burn it up I told the D.J., nigga, turn it up I want a girl that help me take my medication So I don't end up at the police station I don't wanna go back to the police station They tried to send Dirt on a long vacation [Tiggers] It's getting late, to give you up I took a sip, from my devil cup Slowly, it's taking over me Too high, can't come down It's in the air, and it's all around Can you feel me now? [Chorus 2X]
