How much work does a man have to do...  
To prove himself to someone like you?  
You're all a bunch of penny-pinchers!  
Thieving stitching petty wingers!  
You think you have all the powers  
The public listens to what you allow... yeah...  
You use people as your puppets  
Chuckling out your cheesy rubbish!  
We've worked like the best of them  
And our fan-base is growing by, the tonne,  
But its STILL not good enough... FOR YOU!

And I'm TIRED and DROWSY  
And THIS GAME is growing old with me!  
I'm making a stand TONIGHT!  
We don't need your CASH or your freebies  
We got this far we no money  
And this is what REAL MUSIC sounds like!  
Real music SOUNDS LIKE

The industry is ON IT'S ARSE!  
They're quick to quit THEY'LL SHATTER LIKE GLASS...  
If your first SINGLE don't reach NUMBER 1 (yeah)  
Whilst the English scene's a DUMP  
It keeps on trying to ruin PUNK  
And the fact is we've SLACKED  
And it's time TO take it back now!

And i'm TIRED and DROWSY  
And THIS GAME is growing old with me!  
I'm making a stand tonight  
We don't need your CASH or your freebies  
We got this far we no money  
And this is what REAL MUSIC sounds like!  
Real music SOUNDS LIKE  
Beg borrow blag steal and borrow (until the end)
