

Koreans, The "It Keeps Coming"

Visit "[It Keeps Coming](#)" on MotoLyrics.com

My mind's distracted. My mind is weak.
I think so loudly that I can't speak.
You look straight through me but I'm still here.
You burn my eyes out then disappear.

It keeps coming nearer.
It keeps moving closer.
I can't stop desire.
I keep wanting more and more.

Why don't you tell me I'm not the one.
You block my senses with all your junk.
You don't have to mean it, most people don't.
You say you'll kill me. I say you won't.

It keeps coming nearer.
It keeps moving closer.
I can't stop desire.
I keep wanting more and more.

White witch, black witch, stone cold slut.
Wrap your arms around me and keep your mouth shut.
Stay at home with your mother. Lie with my friends.
We're stuck to each other close to the end.

It keeps coming nearer.
It keeps moving closer.
I can't stop desire.
I keep wanting more and more.
