My compassion is broken now.
My will is eroded now,
And my desire is broken now
And it makes me feel ugly.
I'm on my knees and burning.
My piss and moans are the fuel that,
Set my head on fire.
So smell my soul is burning.
I'm broken, looking up to see the enemy.
And I have swallowed the poison you feed me...
But I survive on it, and it leaves me
Guilt, fed,
Hatred fed,
Weakness fed..
And it makes me feel ugly.
On my knees and burning.
My piss and moans are the fuel that
Set my head on fire.
I'm dead insiiiiiiiiiiiiide!

(Shiiit aadds up 3x)
Shit adds up at the bottooom...

-Henry Rollins: If I let you, you would make me destroy myself. But in order to survive you, I must first survive myself. I can sink no further and I cannot forgive you. There's no choice but to confront you, to engage you, to erase you. I've gone to great lengths to expand my threshold of pain. I will use my mistakes against you. There's no other choice. Shameless now. Nameless now. Nothing now. No one now. But my soul must be iron cause my fear is naked. I'm naked and fearless.-
And my fear is nakeeeeeeeeed!

(Deead iinside. 4x)
Neeeedless now,
Shaaameless now,
Noooothing now,
Nooo one now.
(Shit adds up 4x)
You see me naaaaked now,

Feeeeeearless now,
Naaaaked now,
Feeeeeearless now.
You see... shit adds up.
Shit adds, shit adds, shit adds up.
It leaves me (deeead iinsiide 3x),
Dead, insiiiiiiiiiiiiiiiiiiiiiiiiide!

Hatred keeps me alive,
Ugliness keeps me alive,
Weakness keeps me alive,
Guilt keeps me alive
At the bottoooooooooooooooooooooooooooooooooooooom!
