Safe

Underneath her skin and jewellery
Hidden in her words and eyes
There's a wall that's cold and ugly
And she's scared as hell

Trembling at the thought of feeling
Wide awake and keeping distance
Nothing seems to penetrate her
'Cause she's scared as hell

I am frightened too
I am frightened
Oh, oh, oh

Trembling at the thought of feeling
Wide awake and keeping distance
Nothing seems to penetrate her
'Cause she's scared as hell

I am frightened too
I am frightened

Wide awake and
Keeping distance from my soul
Wide awake and
Keeping distance from my soul

Safe

Underneath her skin and jewellery
Hidden in her words and eyes
There's a wall that's cold and ugly
And she's scared as hell

Trembling at the thought of feeling
Wide awake and keeping distance
Nothing seems to penetrate her
'Cause she's scared as hell

I am frightened too
I am frightened too
I am scared like you
I am frightened
