"Crawl Away"

Visit "[Crawl Away](#)" on [motolyrics.com](https://www.motolyrics.com)

You crawled away from me.
Slipped away from me.
I tried to keep ahold,
but there was nothing I could say.
You slid and crept away
and there was nothing I could say.
So what you're trying to say
is you don't wanna play.
But what you want and what you need

doesn't mean fuck to me.

Because I can see your back is turning.
If I could I'd stick the knife in.

This is love.
This is my love for you.

Get up.

Now.

Say you won't go.
