Mention this to me  
Mention this to me

Watch the weather change  
Watch the weather change  
Watch the weather change  
Watch the weather change

Mention this to me  
Mention something  
Mention anything  
Mention this to me

Watch the weather change  
Watch the weather change  
Watch the weather change  
Watch the weather change

Watch the weather change  
Watch the weather change

Mention this to me  
And mention something  
Mention anything  
Mention this to me

Watch the weather  
Watch the weather change  
Watch the weather change  
Watch the weather
