Fuck youuuuuuu!

I can't say what I want to,
even if I'm not serious.
I can't say what I want to,
even if I'm not serious.
Things like....
Fuck yourself, fuck Yourself,
you piece of shit, why don't you just go, kill yourself!
I said,
I can't say what I want to, even if I'm not serious.
I can't say what I want to, even if I'm just kiddiiiiingg!

People tell me what to say,
what to think, and what to play.
I said, people tell me what to say,
what to think, and what to play.
Things like.... Fuck yourself

fuck Yourself,
you piece of shit, why don't you just go kill yourself?
I said, I can't say what I want to, even if I'm not serious.
I can't say what I want to, even if, I'm just kiddiiiiingg.

Fuck yourself,
Fuck yourself,
you piece of shit,
why don't you go fuck yourseeeeeeeelf?

People tell me what to say,
what to think, and what to play.
I said, people tell me what to say,
what to think, and what to playyyy!
