Choices always were a problem for you,
What you need is someone strong to guide you.

Living blind and dumb and bored to follow,
What you need is someone strong to guide you.

If you want to you get your soul to heaven,
Trust in me now don't you judge or question,
You are broken now but faith can heal you,
Just do everything I tell you to do.

Living blind and dumb and bored to follow,
What you need is someone strong to guide you.

Living blind and dumb and bored to follow
Let me place my holy hand up hand upon you

My gods will
Becomes me
When he speaks
He speaks to me
He has needs
Like i do
We both want
To rape you.

Jesus Christ why don't you come save my life now,
Open my eyes blind me with you life now,
Jesus Christ why don't you come save my life now,
Open my eyes blind me with you life now.

If you want to get your soul to heaven,
Trust in me now don't you judge or question,
You are broken now but faith can heal you,
Just do everything I tell you to do.

Jesus Christ why don't you come save my life now,
Open my eyes blind me with you life now,
Jesus Christ why don't you come save my life now,
Open my eyes blind me with you life now.

Living blind and dumb and bored to follow,
Let me place my holy hand up hand upon you.

My gods will
Becomes me
When he speaks
He speaks to me
He has needs
Like i do
We both want
To RAPE YOU!
