black then white are all i see in my infancy  
red and yellow then came to be, reaching out to me  
lets me see  
as below, so above and beyond, i imagine  
drawn beyond the lines of reason  
push the envelope  
watch it bend

over thinking, over analyzing separates the body from  
the mind  
withering my intuition, missing opportunities  
and i must feed my will to feel my moment drawing  
way outside the lines

black then white are all i see in my infancy  
red and yellow then came to be, reaching out to me  
lets me see  
there is so much more and beckons me to look thru to  
these infinite possibilities  
as below, so above and beyond, i imagine  
drawn outside the lines of reason  
push the envelope  
watch it bend

over thinking, over analyzing separates the body from  
the mind  
withering my intuition leaving opportunities behind

feed my will to feel this moment, urging me to cross  
the line  
reaching out to embrace the random  
reaching out to embrace whatever may come

i embrace my desire to feel the rhythm, to feel  
connected  
enough to step aside and weep like a widow  
to feel inspired  
to fathom the power  
to witness the beauty  
to bathe in the fountain  
to swing on the spiral

to swing on a spiral  
to...  
swing on a spiral of our divinity and still be a human

with my feet upon the ground i move myself between  
the sounds and open wide to suck it in  
i feel it move across my skin  
i'm reaching up and reaching out  
i'm reaching for the random or what ever will bewilder  
me  
whatever will be willed on me  
and following our will and wind we may just go where  
no one's been  
we'll ride the spiral to the end and may just go where  
no one's been  
spiral out... keep going  
spiral o
