*[words in brackets unclear]*

Figlio di puttana, sai che tu sei un pezzo di merda? *[1]*

Hm? You think you're cool, right? Hm? Hm?  
When you kicked out people *[out of]* your house

I tell you this, one of three Americans die of cancer,  
you know? Asshole.  
You're gonna be one of those.

I *[don't have the]* courage  
to kick your ass directly.  
Don't have enough courage for that,  
I could, you know.

You know you're gonna have another accident?  
You know I'm involved with black magic?  
Fuck you. Die. Bastard.  
You think you're so cool, hm? Asshole.

And if I ever see your fucking face around,  
In Europe or Italy,

Well I'll -- That time I'm gonna kick your ass.  
Fuck you. Fucking Americans, Yankee.  
You're gonna die outta cancer, I promise.

*[Bang bang / Deep pain]*

No one does what you did to me.  
You wanna know something? Fuck you.  
I want your balls smashed, eat shit. Bastard.

Pezzo di merda, figlio di puttana. *[2]*  
I hope somebody in your family dies soon.

Crepa, pezzo di merda, e vai  
a sucare cazzi su un aereo! *[3]*

*[1]* Son of a bitch, do you know you are a piece of shit?  
*[2]* Piece of shit, son of a bitch.

[3] Die, piece of shit, and go suck dicks on a plane!
