There's a shadow just behind me,
shrouding every step I take,
making every promise empty,
pointing every finger at me.
Waiting like a stalking butler
who upon the finger rests.
Murder now the pattern must we,
just because the son has come?
Jesus, won't you fucking whistle
something but the past and done?
Jesus, wont you fucking whistle
something but the past endured?

Why can't we not be sober?
I just want to start this over.
And why can't we drink forever?
I just want to start this over.

I am just a worthless liar.
I am just an imbecile.
I will only complicate you.
Trust in me and fall as well.
I will find a center in you.
I will chew it up and leave,
I will work to elevate you
just enough to bring you down
Mother Mary won't you whisper
something but what's past and done.
Mother Mary won't you whisper
something but what's past and done.

Why can't we not be sober?
I just want to start this over.
Ah, why can't we sleep forever?
I just want to start this over.

I am just a worthless liar.
I am just an imbecile.
I will only complicate you.
Trust in me and fall as well.
I will find a center in you.
I will chew it up and leave,

Trust me, trust me, trust me,
trust me, and trust me

Why can't we not be sober?
Just want to start this over.
Why can't we sleep forever?
Just want to start this over.

I want what I want, I want what
I want, I want what I want, I want
what I want
