I walk the crowded streets - I'm holding you

Darling  
your face is all I see.  
I hear the city noise - I dance with you

I feel your arms all over me.  
You're that someone I've been waiting for

So come on in and close the door and lay your body  
close to me.  
Tonight  
I wanna be in love

One night I won't forget  
no tears and no regrets.  
Oh  
tonight I wanna celebrate  
and all the love we make  
Has never found so right - tonight.  
I'm in the mood to spend the night with you.  
I feel the romance in the air - oh.

No promises as to where this night will lead

Just let the feeling take us there.

There's a perfect moon up in the sky

And when I look into your eyes I feel the magic  
everywhere.  
Tonight I wanna be in love

...  
Oh  
tonight I want you.  
You're that someone I've been waiting for

...  
Tonight I wanna be in love  
...  
Tonight.
