Lord I got to keep on moving
Lord I got to get on down
Lord I've got to keep on moving
Where I can't be found, where I can't be found
Lord they coming after me

I've been accused on my mission
JAH knows you shouldn't do
For hanging me they were willing yeah! yeah!
And that's why I've got to get on thru
Lord they coming after me

Lord I got to keep on moving
Lord I got to get on down
Lord I've got to keep on moving
Where I can't be found
Lord they're coming after me

I know someday we'll find that piece
Of land somewhere not nearby Babylon
The war will soon be over and Africa
Will unite the children who liveth in
Darkness have seen the great light

I've got two boys and a woman
And I know they won't suffer now
JAH forgive me for not going back
But I'll be there anyhow
Yes I'll be there anyhow

Lord I got to keep on moving
Lord I got to get on down
Lord I've got to keep on moving
Where I can't be found, where I can't be found
Lord they coming after me
