(Marley, Livingston)

Dis was cause(d) t'ru (through) love and affection (x3)

And I-a-I

I was de one who feels de pain

I was de one where the heartaches remain

I was de one who always feel de pain

Dis was cause(d) t'ru love and affection (x3)

Dats' why

I have de lonesome feeling

It hurts to be alone

Now I'm a king

But sitting on an empty t'rone

Dis was cause(d) t'ru love and affection (x3)

du-du-dup-de-dup-de-dup

Dis was cause(d) t'ru love and affection (x3)

Dat's why

I have de lonesome feeling

It hurts to be alone

Now I'm a king

But sitting on an empty t'rone
