[Bob Marley]

Mr. Chatterbox how long will you live?

Always to receive but never to give

Always carry news all over the place

Mr. Chatterbox you are a big disgrace

You cheek and you tounge

A go let you down

And a when them let you down

We a go batter you around

Bif, baf, boof, those are the blows you're gonna get

Mr. Talkative, I know you will regret

Mr. Chatterbox how long will you live

Always to receive but never to give

Always carry news all over the place

You cheek, cheek, cheek, and tounge, tounge, tounge

A go let you down

And a when them let you down

We a go batter you around, hey

Bif-an, baf-an, boof, those are the blows you're gonna
get, hey

Mr. Talkative I know you will regret

Mr. Chatterbox how long will you live?

Always to receive but a never to give

Always carry news all over the place

Mr. Chatterbox you are a big disgrace

You cheek and tounge

A go let you down

And a when them let you down

We a go batter you around

Bif-an, baf-an, boof-an, thats the blows you gonna get

Mr. Chatterbox, I know you will regret

Ooh yeah

Mr. Chatterbox, ooh yeah

Mr. Chatterbox, ooh yeah

[Watch him] Mr. Chatterbox

[Who's-he, who's-he, who's-he, who's-he]

Mr. Chatterbox, ooh yeah
