I can't find no love

No sympathy

MotoLyrics

What kind of love

They've got for me

I'm on my way

To happiness

Where I can find

Some peace and rest

When I'm in my trouble here

Only me feels the pain

Not one good word of advice

From any of my so called friends

I can't find no love

No sympathy

What kind of love

They've got for me

I'm on my way

To happiness

Where I can find

Some peace and rest

Might as well, might as well

I get out, I get out of hell

Hell would never be made for me

So I'm gonna search, search 'till I'm free

I can't find no love

No sympathy

What kind of love

They've got for me

I'm on my way

To happiness

Where I can find

Some peace and rest
