Feel it in the one drop  
Well, I still find time to rap  
We're making the one stop  
The generation gap  
So feel this drumbeat  
As it beats within playing a rhythm  
Resisting against the system

Ooh-we I know Jah would never let us down  
Pull your rights from wrong  
I know Jah would never let us down  
Oh no! Oh no!

They made their world so hard  
Every day we got to keep on fighting  
They made their world so hard  
Every day the people are dying  
It dread, dread for hunger and  
starvation dread dread, dread on dread  
Lamentation dread dread  
But read it in Revelation dread dread  
You'll find your redemption

And then you  
Give us the teachings of His Majesty  
For we no want no devil philosophy  
A you fe give us the teaching of His Majesty  
For we no want no devil philosophy

Feel it in the one drop  
And we still find time to rap  
We're making the one stop  
And we filling the gap  
So feel this drubeat  
As it beats within playing a rhythm  
Fighting against ism and skism

Singing I know Jah would never let us down  
Pull your rights from wrong  
I know Jah would never let us down  
Oh no! Oh no!

They made their world so hard  
Every day we got to keep on fighting  
They made their world so hard  
Every day the people are dying

It dread, it dread, it dread  
Dread dread, what can I say, it dread  
It dread on dread, dread, dread  
It dread, it dread dread

Give us the teachings of His Majesty  
For we no want no devil philosophy  
Can you hear  
Give us the teachings of His Majesty  
For we no want no devil philosophy

We feel it in the one drop  
For we still got the time to rap  
And we're making the one stop  
Let me tell you this generation gap  
So feel this drumbeat  
I tell you what, it's beating within  
Feel you heart playing a rhythm  
And you know it's resisting against ism and skism  
Singing I know Jah would never let us down
