[Bob Marley]

We gonna have a soul shakedown party tonight!
We gonna have a soul shakedown party tonight!
The way you love-a me, huh! It's all right!
When you put your lovin' arms around me, and you
hold me tight -
hold me tight.

This is my invitation:
I got the special vacation;
I need your concentration
Just to feel your vibration
At that soul shakedown party
We gonna have a soul shakedown party tonight!

Jane is in the back yard
Doin' the outside dance;
I'm tellin' you the other day,
She didn't even get a chance!

But this is my invitation:
A just-a special vacation;
I need your concentration
Just to - just to - just to (vibration) just to:
(Soul shakedown party tonight) Baby, I need you
tonight!
We gonna have a soul shakedown party tonight!

Hit it, brother, y'all!

/Instrumental break/

The way you love-a me, it's all right! (It's all right)
When you put your lovin' arms around me (arms
around me),
and you hold me tight (hold me tight).

This is my invitation:
I got the special vacation;
I need your concentration

Just to feel your vibration.

At that soul shakedown party tonight!
We gonna have a soul shakedown party tonight! Uh!
Swing with me, baby!
(Soul shakedown party tonight)
