Sound the trumpets loud and clear

[Christmas time is here]

That it can be heard everywhere

[Christmas time is here]

Everyone looking happy

Everyone looking glad

Everyone looking happy

Only I've been sad

Yes I wish you a Merry Christmas

[Rasta Ras will be there]

And wherever you may be

Telling me your giving me a listening hand

I'll try to be happy

'Cause you know what Christmas brings

You never know what's going to happen

When you hear the choir begin to sing, choir sing

Yes I wish you a Merry Christmas

[Rasta Ras will be there]

And wherever you may be

Telling me your giving me a listening hand

I'll try to be happy

I'll try to be glad

You can't tell what's going to happen

When you hear the choir begin to sing, choir sing

[Sound the trumpets loud and clear]

Well, a Merry Merry Christmas to you, yeah

That it can be heard a Merry Christmas to you

I'll try to be happy

'Cause you know what Christmas brings

You can't tell what's going to happen

When you hear the choir begin to sing, choir sing
