There you are crying again  
But your loveliness won't cover your shame  
There you are taking true love  
While you're taking true love  
You're given the blame  
How could I be so wrong  
To think that we could get along  
Days I wasted with you, child  
If I count there'll be a million or two  
Now I stand alone through the memory that haunts me,  
that haunts me  
And I walk alone through the rhapsody that taunts me,  
that taunts me  
There you are crying again  
But your loveliness won't cover your shame  
There you are taking true love  
While you're taking true love  
You're given the blame  
How could I be so wrong  
To think that we could get along  
Days I wasted with you, child  
If I count there'll be a million or two

Now I stand alone through the memory that haunts me,  
that haunts me

And I walk alone through the rhapsody that taunts me,  
that taunts me

There you are crying again

But your loveliness won't cover your shame

There you are taking true love

While you're taking true love

You're given the blame
