Try me, try me, try me, try me

Try me, try me, try me, try me

When the hurt is front

And everything you do is wrong

You need someone to comfort you

Well, listen baby, I've come first to you, so

Try me, try me, try me, try me

If you need satisfaction

Listen baby, I've got the action

Where I am that's where it's at

So, listen baby, it's dit for that, so

Try me, try me, try me, try me

Oooh, oooh, ooh, ooh, oooh, oooh

Oooh, oooh, ooh, ooh, oooh, oooh

One more thing I'd like to say right here

Try me

One more thing I'd like to say right here

Try me

Be good lovin', I am glad I'm comin' Yes I'm glad and
I'm comin' Try me
