Can't you say you're wrong,
just admit it now so you can go on
I asked you once or twice
Baby you are running out of time
I'm always so in love, but that's not enough

I'm not just anyone you canceled me and walked away
Don't you see what's going on, there's no way you can
disagree
You're wrong
You're wrong

What you take me for, I do not wanna hear your shit no
more
we could get it on, all I need to hear is you were wrong

I'm always so in love, but your letting me down, down,
down, yeah
Don't play tough, can't have you letting me down

I'm not just anyone you canceled me and walked away
Don't you see what's going on, there's no way you can
disagree
You're wrong
You're wrong

I'm not just anyone,
and you should know just what I want

I'm not just anyone you canceled me and walked away
Don't you see what's going on, there's no way you can
disagree
You're wrong
You're wrong

I'm not just anyone you canceled me and walked away
Don't you see what's going on, there's no way you can
disagree
You're wrong
You're wrong
You're wrong
