I want you to know that I am the man
Who fight for the right, not for the wrong
Going there, I'm growing there
Helping the weak against the strong

Soon you will find out the man
I'm supposed to be

Help this man
And don't trouble no man
But if you used to trouble that man
It will bring a bam bam

What a bam bam, bam bam
See that? Bam bam
(It will bring a bam bam)
Can you see that?

Ah
(It will bring a bam bam)
What a bam bam
(What a bam bam)
Can you see that?
(What a bam bam)

Hear what I say
(What a bam bam)
Yeah hey
(What a bam bam)
(What a bam bam)
(What a bam bam)

This man, I don't trouble no man
He know you go to nourish man
This man, don't trouble no man
This man is friend and is trying to trouble no man

That's if you trouble this man
It going to bring a
Going to bring a bam bam
Get a bam bam
Get a bam bam

Get a bam bam

I say, what a bam bam

I say, what a bam bam

What a bam bam

I say, what a bam bam
