Every day you say  
That you wish if I could go with you  
Every night you keep on telling me  
That you wish if I could follow you

Every time you keep on worrying, worrying me  
That you wish if I could go with you

But it's a good thing I didn't follow you  
Just to do those funny things you wanted me to do  
Honey, you tried to, to bend my love, yeah  
You made a fool of me

One time I know is not the same  
When we used to play in the sun  
We used to hold each other's hand  
Remember we used to play in the pond

So all the good looks that you have  
Would not break my heart  
My old heart still remains the same  
Honey, you tried to bend my love  
And made a fool of me, yeah

I said my love is so strong  
And my mind is unchangeable  
You take a look at my face  
You will see that my future's still bright

Oh, bright as the sun in the sky  
Honey, you're sure to see me shine, yeah  
Shine as the stars in the morning  
The pattern in the sky, oh yeah

I said my love is so strong  
And my mind is unchangeable  
You take a good look at my face  
You will see that my future is still bright

Oh, bright as the stars in the sky  
Honey, you're sure to see me shine  
Shine as the morning stars

That shine on the sky, yeah, yeah

Oh, that good thing have been for you  
Oh, you do those funny things  
Avoiding me for good

Oh, my love is so strong
