Reggae got soul, got so much soul
Listen to the beat
Move your dancing feet
Rock your bodyline, move in time
You don't have to salute while I'm passing through
Listen to the beat
Move your dancing feet
Rock your bodyline right in time
This reggae got soul, got so much soul
You can come to my school
Let me teach you all these rules
Mama can do it, papa can do it
Do it all through the night
Grandmother can do it, Grandfather can do it
Do it and feel alright
This reggae got soul, got so much soul

Reggae got soul for the young and old
Reggae got soul
Makes me want to sing and do all kinds of crazy things
Reggae got soul
When I listen to the music
Make me have to shout oh lord hallelujah
Make me feel alright in the night or in the day
Reggae got soul, reggae, reggae
Rock me to the bone
Move me around
Reggae got soul, got so much soul
Oh my lord I keep repeating those words
And I feel so good
Come on baby, come have a dance with me now
Reggae, reggae, reggae got soul
Got so much soul
