hey hey
now, everybody now
Let me hear you now

Sailin On (x2)
I can hear sweet vibes a singin'
and I can hear sweet music a playin'
Sailin On (x2)
I wish you were there with my while I'm sailin' on

Lingering on
I'm just lingering on
I can hear sweet vibes a singin'
and I can hear sweet music a playin'
la la la la la(x2)
I wish you were there with my while I'm sailin' on

WOah, you got spring, summer, autumn winter
All I know two of us don't lay our head
and don't feel it
yeah yeah yeah
Baby, it may be morning noon or night
spring summer autumn or winter yeah
All I know, you gotta tell me which do you prefer
While I'm...
Lingering on
