The day has come when we will find
The world has changed before our eyes
Right before our eyes
Too full of all the things we know
Too proud of all that we can't show
All we can't let go

I said the day has come where we decide
There's nowhere to run
Nowhere to hide
The day has come where we decide
There's nowhere to run
Nowhere to hide

The day will come when we can't buy
The things we need just to survive
Just to stay alive
One day not so far away
One price far too high to pay
Watch her fade away

I said the day has come where we decide
There's nowhere to run
Nowhere to hide
The day has come where we decide
There's nowhere to run
Nowhere to hide

The day has come where we decide
There's nowhere to run
Nowhere to hide
The day has come where we decide
There's nowhere to run
Nowhere to hide
Nowhere to hide
Nowhere to hide

The day has come where we decide
There's nowhere to run
Nowhere to hide
The day has come where we decide

There's nowhere to run
Nowhere to hide
