All I see in this city street is you,  
All the things I can't undo,  
All the time that we spent together,

I've forgotten what it was like,  
I'd take your hand to feel alive,  
Ask me now and I'd do it again,  
For your love was worth the pain.

I just wanna see you tonight,  
I just wanna make it alright,  
All we ever seem to do is fight,  
And I don't wanna see the tears you cry.

I can't take back what I've already done,  
It's only now I see you're the one

And all I ask for is one more chance,  
One last kiss and baby one last dance

I just wanna see you tonight,  
I just wanna make it alright,  
All we ever seem to do is fight,  
And I don't wanna see the tears you cry.

I just wanna see you tonight,  
I just wanna make it alright,  
All we ever seem to do is fight,  
And I don't wanna see the tears you cry.

I just wanna be with you tonight,  
I just wanna hold you so tight,  
And spend the rest of my life, with you
