Give me, give me your time
Show me, show me you're mine
Give me, give me your time
Show me, show me you're mine
All I want is your touch
Baby, I need you so much!
Showâ€¦ meâ€¦ all I've never seen
Wrong, it feels so wrong
To be a part from afar
Your lips can solve it for me
You don't know how
You don't know whereâ€¦ to go
Give me, give me your time
Show me, show me you're mine
Caus I want your touch
Baby, I need you so much!
Give me, give me your time
Show me, show me you're mine
All I want is your touch
Baby, I need you so much!
So much!
