I long to tell you
How much I need you
If I could find the words to say
Iâ€™d never have to feel this way
Not knowinâ€™ just what to do when Iâ€™m with you

My friends, they tell me
That I could shouldnâ€™t hurry
Yet this feelinâ€™ keep goinâ€™ strong
â€™Cause you keep it goinâ€™ on
Though I have to say how much I love you

Chorus:
(Oh) Anna, canâ€™t you tell me and see
What youâ€™re doin to me
Oh, Anna, this feelinâ€™ I just canâ€™t hide
Keeps drivinâ€™ me wild
Oh Anna, I need you here with me
I wish it could be.
Oh Anna, wonâ€™t you stay with me?
(Ohh!)

Your eyes they look through me
Your smile, they did push me
Iâ€™ve never thought Iâ€™d love again
But this time I hope it never ends
I have to tell you know how I love you.

(Repeat Chorus 2x)

Oh, Anna

(Repeat Chorus)
