How are you doing?
I can see not so well
I know that you're hurting
You say you're not but I can tell
I know exactly what you're feeling right now
Cause man I've been there before
You're gonna find a way to pull through somehow
As soon as you get your broken heart up off the floor

Cause it ain't easy lovin' somebody you love
When they don't love you anymore
And the hardest part when lovin' someone
You really, really love
Is lovin' them by letting go

You'll get through it
You're gonna be just fine
And you're gonna do it
You're gonna leave it all behind
I know exactly what you're feeling right now
Cause man I've loved and lost before
You're gonna find a way to pull through somehow
As soon as you get your broken heart up off the floor

Cause it ain't easy lovin' somebody you love
When they don't love you anymore
And the hardest part when lovin' someone
You really, really love
Is lovin' them by letting go

Oh, it's not a question of who did what to whom and
why
And there ain't no use askin' what went wrong
And after askin'g what is happenin' to you
What you really need to do is face the truth
Now what are you gonna do?
What are you gonna do?

Cause it ain't easy lovin' somebody you love
When they don't love you anymore
And the hardest part when lovin' someone
You really, really love

Oh, Cause it ain't easy lovin' somebody you love
When they don't love you anymore
And the hardest part when lovin' someone
You really, really love

just let go...
