Verse I:

Iâ€™m wonderinâ€™ what youâ€™re doinâ€™
Right at this moment. Iâ€™m really missing you.
Whatever youâ€™re doinâ€™,
I know you are missing me too.

Verse II:

Take comfort in knowinâ€™
That I may be far away, but Iâ€™ll be home soon.
Baby donâ€™t you worry.
Before you know it Iâ€™ll be there with you.

Refrain:

When you are down, look inside you.
I will be there, to remind you.

Chorus:

That you, are the only one, Iâ€™m ever gonna love;
The only one Iâ€™ll ever need.
Bright as the sun, youâ€™ll always have my love.
No need to worry, just believe
Your heart is safe with me
And here in my heart, there is no one but you.

Verse III:

Always and forever;
Thatâ€™s all the time I can promise that Iâ€™ll be yours.
And I can only love you
More than youâ€™ve ever been loved before.

Verse IV:

I know your heart is tender
And you are afraid of it breaking just like before.
But I know you remember
I swore youâ€™ll never hurt anymore.

Repeat Refrain

Repeat Chorus

Bridge:

Youâ€™ll never cry another painful tear.
And Iâ€™ll make you realize my love wonâ€™t disappear.

So throw all your fears away.
Baby, Iâ€™m here, and Iâ€™m here to stay with you... with
only you.

Repeat Chorus (Modulate +1)

Coda:

No one but you
