The secret way you hold my hold  
To let me know you understand  
The wind and rain upon your face  
The breathless world of your embrace  
Your little laugh and half-surprise  
The starlight gleaming in your eyes  
Remembering all those little things  
All of a sudden my heart sings

All of a sudden my heart sings  
When I remember little things  
The way you dance and hold me tight  
The way you kiss and say "Good night"  
The crazy things we'd say and do  
The fun it is to be with you  
The magic thrill that's in your touch  
Oh, darling, I love you so much!!

The secret way you hold my hold  
To let me know you understand  
The wind and rain upon your face  
The breathless world of your embrace  
Your little laugh and half-surprise  
The starlight gleaming in your eyes  
Remembering all those things  
All of a sudden my heart sings
