"Be quiet or be killed!"  
he said.  
In front of you and in front of me.  
He made the pilot get on his knees.  
Made him crawl, made him whimper,  
Made him cry out for his mother.

Wow! What a show!  
122 Hours Of Fear.  
Wow! What a show!  
122 Hours Of Fear.  
122 Hours Of Fear. (x2)  
122. (x4)

"You better shut up and listen!"  
he said.  
Danger, danger, danger, Mr. Schumann  
We are in a hurry, Mr. Schumann  
What are the odds, dear Jorgen?  
Am I disturbing You?

Wow! What a show!  
122 Hours Of Fear.
