This pasture's gettin' mighty full  
Another gal's a-tryin' to get your bull  
Hear that wicked heffer laugh  
You sit ballin' like a baby calf

Doin' the boo hoo boogie, you just cry and cry  
Boo hoo boogie, 'cause you're baby gone on the fly

Well, farmer Jim was runnin' late  
He plumb forgot to close the gate  
That bull took one look at you  
Tipped his horn and away you flew

Now it's the boo hoo boogie, you just cry and cry  
Boo hoo boogie, 'cause you're baby gone on the fly  
Oh, he's gone!

Now, there ain't no moral to this yarn  
There ain't no bulls left in the barn  
They all ran fifty miles away  
So they don't have to hear you whine all day

You do the boo hoo boogie, you just cry and cry  
Boo hoo boogie, 'cause you're baby gone on the fly  
It's the boo hoo boogie, 'cause you're baby gone on the fly
