Can't you tell the reason why
There's a twinkle in my eye
But don't you know why

I could be a better man
'Cos it's written on the land
So come on take my hand

If you don't know me by now
You'll never find me out
If you don't love me by now
You'll never put me down
'Cos I, I am as big as a house
Yeah, I am as big as a house

Can't you see the reason why
I've an enigmatic smile
Wider than a mile
Better men I know won't sin
But I'm blowing like the wind
So come on take it in

If you don't know me by now
You'll never find me out
If you don't love me by now
You'll never put me down
'Cos I, I am as big as a house
Yeah, I am as big as a house

I hope this house will never fall
To rubble on the floor
So I see your face once more
I know our love will never die
So it's safe by you and I
To build a house up in the sky
This is the reason why

'Cos I am as big as a house
I am as big as a house
I am as big as a house
As big as a house
As big as a house now

As big as a house now
As big as a house now
